## First Member's Meeting

We are delighted to announce the first PI Middle East member's meeting will be held on Tuesday, 8th February 2011 in Dubai, UAE from 11AM - 5 PM.

Any company or individual that has an interest in PROFIBUS & PROFINET technologies is welcome to attend. Your presence is valued!

PI Middle East is a non-for-profit group whose goal is to promote PROFIBUS & PROFINET technologies in the Middle East region.

Membership of the group provides many benefits such as: access to the PROFIBUS & PROFINET specifications, discounted prices for training, participation in regional events, seminars and exhibitions, and many more...

This meeting provides a key opportunity for you to learn more about PI Middle East and the benefits of membership. In addition, you have the chance to share your ideas about how the organisation shall be run.

We are looking for committed people to drive PI Middle East forward & hope you will attend and lend your support.

For more details, or to sign up for this event, please email [middle.east@profibus.com](mailto:middle.east@profibus.com)

Dear Paula

Welcome to the first PI Middle East newsletter!

This monthly newsletter will keep you updated on what is happening in the field of PROFIBUS & PROFINET technologies in the region.

PROFIBUS International (PI) is the largest automation community in the world and PI Middle East is proud to be the latest addition to this strong global organization.

PROFIBUS & PROFINET are vital technologies for the region's many & varied industries and we look forward to sharing how these technologies can be leveraged to improve plant up-time, equipment health, CAPEX, OPEX and safety.

Check below for information on the first member's meeting as well as planned PROFIBUS & PROFINET training in 2011.
