PROFIBUS Nutzerorganisation e.V. (PNO) A member of PI (PROFIBUS & PROFINET International) certification@profibus.com

## Application for a PROFIdrive Certificate

## Certification of PROFIdrive on PROFINET is mandatory

We herewith apply for a PROFIdrive Certificate based on the quality documents "Framework for Testing and Certification of PROFIBUS and PROFINET Products" and "How to get a Certificate for PROFIBUS/PROFINET Device", the PNO Trademark Statues as well as the relevant Test Specifications. The Certificate is issued in English. We agree that it will be published on the PI Website.
